Algebra 1 End Of Course Prep (For all students who were enrolled in Algebra 1 during 2019-2020)

The school district has created a Prep Course for all students who were enrolled in Algebra 1 during the 2019-2020 school year. This free on-line support will be helpful in preparing for the (Fall) Algebra 1 End Of Course Exam.

You will find 2 attachments. One is the Algebra EOC Summer Prep Flyer and the other is the Algebra EOC Summer Prep Packet which provides a more detailed description of the program with suggested dates and pacing.

Options offered by the State of Florida for students to meet Algebra 1 graduation requirement:

The Florida Department of Education in the absence of testing has instituted retake or concordant score equivalency options to assist students in meeting their Algebra I graduation requirement. Students can meet the Algebra 1 graduation assessment requirement by

- (1) passing the Algebra 1 EOC during a future administration (the Algebra 1 EOC is offered four times each year)
- (2) by passing the Geometry EOC during a future administration, or
- (3) earning a concordant score on the PSAT, SAT or ACT.
